

We participate in an exhibition in Stuttgart in Germany.

October 2018

Dear Customers

Thank you for your support as always.

HIRAKAWA HEWTECH CORP. will be participating in the Germany VISION2018 Exhibition (November 6 2018 - November 8 2018)

We will be presenting our cable product the best solutions for your machine vision needs.

If you have a chance to visit, you are always welcomed! It's located in Germany Messe Stuttgart Exhibition Hall 1, booth number 1C83 to check out our cable

innovations and talk to our on-site experts about which features are right for your application.

We are looking forward to your visit.

Best regards.
