

Dear Customers

Notice of exhibition

This is to inform you that we are going to exhibit a booth at on December 5th to 7th.

We will be introducing our new products for machine vision cables at the show.

Mainly products USB3Vision/CoaXPress/Cameralink HS AOC/GigE(10GigE)Vision and the new products you can see it.

Different from last time, we are considering to show the test process with using cable bare.

We sincerely hope that you plan on visiting the show.

Kindly confirm enclosed the invitation tickets for you. We look forward to seeing you at the ITE show.

Best Regards.
